

# Indian Country Advancing Pharmacist Roles in Substance Use Disorder Treatment and Recovery Teams ECHO Program

We invite you and your staff to attend the Indian Country Advancing Pharmacist Roles in Substance Use Disorder Treatment and Recovery Teams ECHO Program for clinicians and staff every 3rd Tuesday of the month (10-11am PT). The program provides an opportunity to engage in didactic learning sessions, present patient and systems-based cases, receive recommendations from peers and experts, and become part of a learning community to effectively treat and support persons with substance use disorders. Each virtual ECHO session will provide 1 hour of Knowledge-type continuing pharmacy education credit.

### Moving Knowledge - Not Patients

Through telementoring, ECHO builds capacity and creates access to high-quality specialty care serving local facilities.

### Hub and spoke knowledge-sharing networks create a learning loop:

Clinicians learn from specialists.  
Clinicians learn from each other.  
Specialists learn from clinicians as best practices emerge.
